

Permits 12 & 13

January 4, 1917.

Sir:

The receipt is acknowledged of your letter of November 22, 1916, addressed to the Commissioner of Fisheries, making application for permission to establish two canneries and two codfish stations in the Aleutian Islands Reservation, Alaska.

In reply you are advised that the Department does not deem it desirable to authorize the establishment of any additional canneries in this reservation at present.

There are enclosed herewith two permits, Nos. 12 and 13, authorizing you to establish stations upon Akutan and Unalaska Islands in connection with the cod fishery in the region of those islands. While the Department desires a strict compliance with all the requirements of these permits, emphasis is laid in particular upon those portions which contemplate affording the natives of the Aleutian Islands Reservation every possible opportunity for employment, thus enabling them to improve their present condition and secure a better livelihood.

Respectfully,

Secretary.

Mr. Paul Buckley

Unalaska, Alaska.
